

*Your Complete 4wd Storage Solution!*

## “CarBack” Kitchen

The old fashioned camping kitchen has now been redesigned for you. The CarBak Kitchen is the ultimate solution for all your cooking, storage and packing needs.

The versatile design incorporates 5 adjustable and collapsible legs for every terrain you and your travels may take you. The CarBak Kitchen contains a large storage drawer for all your bulky items, accessible whilst packed in the car. A generous sized drawer to store your washing tub (included), and a handy cutlery drawer that is easily accessible when juggling your snags, plates and tongs. This kitchen boasts a whopping 1.7m laminated bench top. Just a quick spray and wipe will get rid of all the messes ready for packing for another day on the beaten track.

All this folds up in a lightweight compact unit that easily slides on top of your drawer system or into the back of a trailer.
